Message from our President and CEO

Dear Friends,

Our team at the Alliance is thankful for our funders, donors, clients, and allies in this work.

This year we have crisscrossed the country working with organizations and communities to develop Family Justice Centers and multi-agency models focused on creating innovative, collaborative, trauma-informed approaches to meeting the needs of survivors of domestic violence and sexual assault and their children. We have trained professionals on documentation, investigation, and prosecution of near-fatal strangulation assaults through our nationally recognized Training Institute on Strangulation Prevention hosted hundreds of children at Camp HOPE America the first evidence-based camping and mentoring program for children impacted by domestic violence, engaged survivors with our VOICES Survivor Network and helped victims obtain civil legal services with our Justice Legal Network. We have welcomed a host of new staff members to our team along with many new faculty members.

Alliance for HOPE International and its allied Centers have served more than 150,000 survivors of domestic violence and sexual assault and their children this past year in the United States.

On behalf of our Operating Board, our National Advisory Board, and our dedicated staff team, thank you for being HOPE Givers and changing the lives of many in your communities.

Casey Gwinn, JD
President and Co-Founder

Gael Strack, JD
CEO and Co-Founder

- Planned **ten** Family Justice Centers
- Supported the opening of **Sojourner Family Peace Center in Milwaukee** – The largest Family Justice Center in America
